Our friendly and approachable team are ready to help you feel relaxed and comfortable, during your visits to the clinic.

Good oral hygiene is such an important part of your general health.

Current Medical research has demonstrated that untreated gum disease is linked with an increased risk of heart disease, strokes, dementia, diabetes and respiratory disease.

We are passionate about the service we provide. Our advice and dental care to help you maintain healthy gums and teeth for life is recommended as if you are a family member.

Kind Regards
The Team
